X comments on Bogomolov's friendly refs to him

X observes that while no evidence Sovs have changed their policy, there is no evidence that they haven't - feels have been going on scarcity econ for 3 yrs - ~~harder~~ to build mil force - harder to keep outside news out - poss. they have decided they must raise standard of living - & are going to -

| - Vos Affair 12/52 second take - Sov econ can't do everything as Vos said they could -

Sec Def asked re World Communist movement - its present line - was told foreign C Parties would probably become more national in character, stress ~~Party~~ local issues, play down Moscow's aspect
